**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Don't put our local internet providers out of business. Elimination of copper access will give the few large ISPs a monopoly at rising costs and limited access. This will also decrease access for many Americans. Internet access is not a competitive product. It is a utility that should be available for all.
